5,500 gift bags will be available for collection from 25 - 30 December, from 10am-6pm, at two Ninja Van's points - Pattanakarn 43 brand and True Digital Park building

Bangkok, Thailand – 20 December 2021: Ninja Van Thailand, Southeast Asia's leading logistics provider, celebrates the holiday season with a year-end gift giving campaign (แคมเปญ “ส่งความสุขให้ทุกคนส่ง”) to show its appreciation to all delivery men throughout Bangkok. Everyone in Thailand is also encouraged to join in the festive campaign to spread holiday cheer and express their thanks to these delivery men for their hard work this past year.

Mr. Pierce Ng, Chief Operating Officer of Ninja Van Thailand, said “All riders and delivery personnel have been working tirelessly the entire year, especially during major shopping campaigns and holiday seasons, all while navigating the enormous challenges faced at the height of the COVID-19 pandemic. That’s why Ninja Van decided to launch this 6 days-long gifting campaign by giving out up to 5,500 gifts, to extend our heartfelt thanks, show them that they are valued and bring festive cheers and smiles to them this Christmas and New Year. Not only that, our customers can be a part of our festive campaign, through simple gestures such as saying thank you or even giving some small gifts to show your appreciation and support.

Riders and delivery personnel from all express delivery brands within Bangkok are invited to pick up their gifts at these two Ninja Van's Points - ***Pattanakarn 43 branch*** and ***B Floor at True Digital Park Building*** between 25-30 December 2021 or until gifts run out. We would like to encourage everyone to celebrate with us this holiday season and spread the spirit of giving and happiness to all the riders.

Mr Ng added, "Ninja Van is more than just a delivery service. Through similar campaigns that we rolled out in The Philippines, we want all riders and delivery personnel to know that we value them and appreciate all the hard work they put in. We are confident that employees are assets to their organisations and they are the true force behind in driving our business to greater heights and ultimate success as a company."
