**Bangkok, Thailand, 2 March 2023** – [Ninja Van Thailand](#), a leading logistics service provider in Southeast Asia, donated 34 used IT equipment – from computers to printers, to The Mirror Foundation, in support of the ‘Computer for Children (C4C) project. The project aims to support underprivileged students in rural schools with IT equipment to give them access to digital literacy as the economy shifts further into the digital realm.

This donation was part of Ninja Van Thailand’s “Sharing Happiness, Spreading Kindness” yearly campaign to go beyond more than just a logistics company and contribute to the well-being of communities and society.

**About Ninja Van**

Ninja Van is a tech-enabled express logistics company providing supply chain solutions for businesses of all sizes across Southeast Asia in six countries: Singapore, Malaysia, Philippines, Indonesia, Vietnam and Thailand.

In Thailand, we are dedicated to providing assistance and resources to better cater to the unique needs and wants of both small and large scale shippers alike – SME partners in particular. Ninja Van Thailand's priority is to take the hassle out of the parcel delivery so that our shippers can focus on their business growth.
